1 About Myself

I am born and brought up in Dabeerpura (Old City), Hyderabad. Since childhood teaching was my passion. I work sincerely for whatever I commit. Apart from my research in earthquake engineering, I spend some of spare time in propagating human values.

2 My Family

I got married on 13 Dec 2000. My wife's name is Sarala Sree and we have two kids. Elder son, Ganesh is 16 years and younger son, Dinesh is 14 years. My father (Late R Om Prakash) was a gold smith and mother (R Sharada) is house wife. I have one elder brother (R Praveen Kumar), two younger brothers (R Prashanth Kumar and R Pramod Kumar) and two sisters (Uma Maheshwari and Rama Maheshwari). All are well settled.

3 EERC, IIIT Hyderabad

I treat EERC as my extended family. I am fortunate enough to have such a work place where things are smooth and without any pressure. I enjoy working in IIIT Hyderabad. I owe a lot to my colleagues and co-workers/students for creating such an environment.

4 My Hobbies

Reading books, watching movies and listening to music. In school and college, I use to play cricket and table tennis. Our Polytechnic cricket team was winner of state championship (1991). I was runner-up in table tennis tournament (2000) in Mitaka Residence, Univ of Tokyo.
