the student presentations are to be evaluated by students before presenting in the class	Nil
we have learned technologies behind web...	more time
I enjoyed this course. Students participated very well. There was active involvement of the class..	No comments...
This course was excellent .I learned a lot....really thank you sir	Ask the students to put course materials properly
good course!!	--
very interesting subject	nothing
The topics were relevant .	Some of the portions were not much clearly understood.Faculty should teach those portions.Also frequent tests should be done.
